Dear Chancellor White,

The California Legislative Jewish Caucus would like to thank you for your attention to the current campus climate at San Francisco State University (SFSU). Students at SFSU and the Jewish Community have expressed concern regarding the rise in anti-Semitic incidents on campus, the exclusion of students from campus activities, and the disappointing response by President Wong to these acts of prejudice.

Your immediate intervention is required to ensure student conduct rules are enforced and all students feel welcome on campus. SFSU must respond resolutely when administrators and students exclude, threaten, or intimidate Jews because they are Jewish and/or Zionist.

We appreciate your willingness to take action. Specifically, your commitment to draft a statement of principles on intolerance, similar to the one passed by the University of California, Irvine, and naming a liaison from your office to be responsible for monitoring campus climate for Jewish students at SFSU.

The leadership of SFSU must make it publically and unequivocally clear that Jews, Israelis and Zionists are welcome and safe on campus as made apparent to all other students.

We the undersigned leaders of the California State Legislative Ethnic Caucuses, look forward to a resolution to this matter and a strong and lasting partnership.

Sincerely,

MARC LEVINE
